

“HOMESCHOOLING: AN ENDLESS ADVENTURE!”

Spring is...well, almost here. We don't look forward to the end of a school year in quite the same manner as schools do. After all, for homeschoolers, the learning process never ends whether in textbooks, at play, in the field, or on the road – it's an endless adventure! Spring does, however, mean it's time to get ready for inspiration, relaxation, information, recharging, conviction, practical helps, fellowship with the larger homeschool community, hands-on inspection of curriculum materials and more at the MassHOPE convention. We think it's the best deal around.

We're excited to present all that will be at the DCU Center in Worcester April 26-28. Israel Wayne is here for the first time. He was being homeschooled before almost any of the modern homeschool pioneers started and now homeschools his own brood. Want your friends to be convicted and encouraged about education? Bring them to hear Israel. Need to be reminded why you do this? Come and hear Israel. Bring your teens to be challenged. Bring skeptical spouses and grandparents. Need help with math, English, science, foreign language, literature, and more? Come and talk to those who wrote the curriculum. There are so many reasons to attend, not least of which is to support the entire movement. By attending, you not only get to enjoy all that is there for your family. Your support enables us to provide other services to the homeschool community and to be vigilant in safeguarding the freedom of homeschoolers from increasing threats.

Last but not least is an exciting new option for online pre-registrations. MassHOPE bucks can be purchased at a 10% discount! Use them at any vendor in the exhibit hall and it's like getting a 10% discount on your purchases. Don't miss it! See you there.

Bids will be accepted until 2:00 PM, Saturday, with winners announced by 3:00 PM.
Items are to be collected by 4:30 PM.

We need your help! Want to donate something? Know a business, attraction, or museum that would? Please email silentauction@masshope.org for details.

Any uncollected items will become MassHOPE property.

Children and Teens

We love children and want to include them whenever possible. Our convention, however, is geared for parent/teacher enrichment and learning, so we encourage you to make childcare arrangements for your children. Understanding that this is not always possible, we do offer a children's program - something not all states do. Please be aware that this program does fill up quickly and will NOT be available to those registering onsite.

Infants under 24 months are free and must be with their parents or caregivers at all times. No wristband or name badge will be issued for children in this category. Please step out of sessions if your child becomes noisy (even happy sounds) as our recording equipment is very sensitive. An area for nursing moms is located in the exhibit hall.

Children ages 2-4 years old may attend workshops with their parents, assuming they will remain quiet and not become a distraction to other paying adults. Name badges will be provided for these children.

Children ages 5-9 years old (with paid adult registration) have two options:

- 1) **Children's Program** (Name badge) **OR**
- 2) **1st floor wristband** - restricted to the entire first floor and 2nd floor lounge area (between escalators); must be accompanied by an adult or responsible sibling at all times.

Children ages 10-18 may register (with an accompanying adult registration) and attend the Teen Track or any other workshops.

Young adults (18 years and up) still living at home, not married, and not homeschooling any children are welcome to register at the teen price and attend any sessions they would like.

Registration

There are **three registration options**:

- 1) **By mail** - Use the registration form included in this brochure (checks or money orders only)
- 2) **Online** - Visit www.masshope.org..... (VISA or MasterCard only)

Name badge(s) for preregistrations will be ready for you to pick up onsite in the registration area.

If your preregistration has a postmark after April 2, you will need to pick it up onsite at the Exceptions booth in the registration area for onsite pricing and to obtain your name badge(s).

Requests for refund of registration must be made in writing **PRIOR** to the start of the convention and emailed to convention@masshope.org.

FREE! FREE! FREE! The Thursday evening sessions and Friday evening session are FREE and open to the public! Invite your interested friends and family to learn more about home education. (Exhibit hall will be closed during these times.)

FIRST TIME ATTENDEES (individual or married couple, first time for both) can pre-register at a reduced fee. See registration form. **NOT** available onsite!

GRANDPARENTS - We understand the value of grandparents in the homeschooling process. **NON-HOMESCHOOLING** grandparents are always free if they attend with their adult children who are paying the registration fee. Grandparents who are still homeschooling one or more of their own children must register separately and pay the registration fee.

Box Tops for Education

You can earn **FREE** admission to next year's (2019) convention AND support MassHOPE at the same time! Bring your Box Tops for Education tabs (found on LOTS of products you already buy) with you to the convention. There will be a collection box at the MassHOPE booth. They will also be collected at the used curriculum sale in June or they can be mailed to MassHOPE through the postmarked date of December 31. You may choose either of the following options:

1. Simply donate them. Proceeds will be used for MassHOPE scholarships.
2. Receive credit for 50% of the value of your Box Tops toward registration for next year's convention. The remainder will be used for MassHOPE scholarships.

In either case, if you designate a MassHOPE affiliated support group, one half of the MassHOPE portion will be donated to that group.

Submissions for credit must be in a sealed envelope with the following information either on the **outside** of the envelope or on an enclosed note: name, address, phone number, email address, number of Box Tops enclosed, and support group, if applicable. Please be mindful of expiration dates! Box Tops need to be at least **two months** from expiration at time of submission. If mailed, they should be addressed to Anne Smith, 85 Liberty Street, Haverhill, MA 01832.

Want to bless someone? Any credit earned is transferable, but cannot be held over from year to year.

Children's Program volunteer discount

Here's another opportunity for discounted or free admission. We need volunteers, especially experienced ones, to assist Marilyn and Lanny with the Children's Program. Please email convention@masshope.org for details.

Graduation Opportunities

MassHOPE offers two opportunities for graduates. A graduate may participate in either or both.

The **GRADUATE RECOGNITION CEREMONY** will take place during the evening general session on Friday, April 27, 2018 at the DCU Center. Deadline to sign up for this ceremony is April 20. Contact Anne Smith at 978-372-1339 or ewsjfamily@juno.com.

The **FORMAL GRADUATION CEREMONY** will be held at Holden Chapel on June 9, 2018 at 2 PM. The first deadline of March 31 is quickly approaching, so don't delay! If interested, contact Susan Jacobsen by email - graduation@masshope.org.

We need YOU...CALLING ALL VOLUNTEERS!

We can't run a convention of this size alone. It takes a LOT of volunteer help. And because many of our loyal teens may be attending the Teen Track this year, we'll need many more adult volunteers.

Come greet, meet, and help fellow homeschoolers. Provide a break or a cup of water for a vendor. And earn a small reward for yourself: two MassHOPE bucks for every hour you volunteer. Each buck is worth one dollar at the recording table and all of our vendor booths.

To sign up, go to masshope.org and fill out the online volunteer form. If you do not have internet access, call Ed or Anne Smith, our volunteer coordinators, at (978)372-1339. Volunteers must be at least twelve years old at the time of the convention.

Needed: Specialized Volunteers

MassHOPE has a great need for very specialized volunteers in three areas of our convention. If you are skilled and willing, or willing to be trained, would you please prayerfully considering helping us? If you know someone who might be willing (friend, young adult, relative, neighbor, etc), please pass this along to that person, with instructions to contact us at:

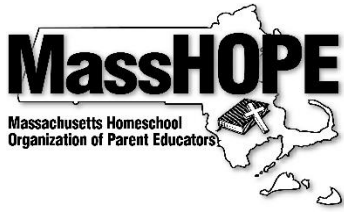

volunteer@masshope.org

The three areas in need:

- 1) Children's Program
- 2) Recording booth
- 3) Audio-visual set-up/break-down

Thank you!
